

BIRDS, BOABS & BUTTERFLIES (AH3)

ALL SEASON - HALF DAY NATURE ENTHUSIASTS TOUR

6:00am to 11:00am - 5 hours - approx. 150km

Book the charter rate for a personalised tour (1-6 people)

Summary

On this tour, birdwatchers and nature lovers will have the opportunity to witness an array of wildlife across a variety of East Kimberley landscapes, and all within an hour of Kununurra. We leave early to catch the morning activity around waterways and billabongs and at the same time get you off the beaten track to enjoy a backdrop of rugged orange ranges speckled with beautiful Boabs and striking palms. Enjoy a cacophony of bird calls whilst you sip your tea and immerse yourself in the areas rugged beauty.

Highlights:

- Informative commentary on the natural environment and history of the area
- Access to a number of bird and wildlife habitats
- Waterbirds, whistling kites, honeyeaters, kingfishers, cockatoos and cuckoo shrikes
- Finches, pheasant coucals and cheeky bowerbirds to name few
- Wallabies, wild brumbies and possible dingo sightings
- Butterfly cave, bush tucker and plant education
- Four-wheel driving through rugged ranges and riverbeds
- Beautiful billabongs and iconic scenery with boabs at every turn

Itinerary:

Pick-up from your accommodation or meeting point before tour commences at **6:00am** (earlier starts can be arranged for charters). This tour is reasonably flexible as there are several options for birdwatching locations depending on the interests of the group. This may also depend on road conditions in the Wet Season. We aim to make the most of the morning wildlife activity by arriving at our first location (usually a billabong) as early as possible after sunrise. We'll move locations as determined by the group and learn a little about the local area along the way. Mid tour we'll break for breakfast/morning tea under a boab or beside a butterfly-filled cave, before heading to another one or two sites to 'twitch' in alternate ecosystems before dropping you off at your accommodation or meeting point by **11:00am**

Inclusions

- Breakfast/Morning tea: tea, coffee, cold water, fruit and light refreshments
- Esky with ice if you want to bring additional food or drinks
- Conservation Park and private Station access

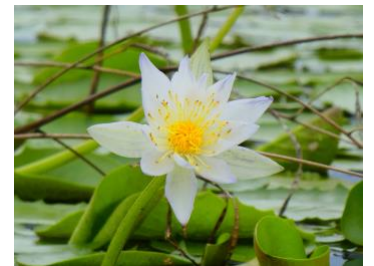

What to bring

Sun protection: Hat, sunscreen, long-sleeved shirt.

Sturdy footwear: for short walks only

Refillable water bottle: chilled water and cups available

Camera & binoculars etc

"A cool way to see the Kimberley"

IMPORTANT!

All passengers are asked to walk within specified boundaries and stay within earshot of the rest of the group. Itineraries may vary slightly depending on water and road conditions, particularly throughout the wet season. Please click on **Terms and Conditions** for our cancellation policy and more information.
