During the Wet Season months (Jan-Mar) the afternoon may include chasing waterfalls, viewing flooding rivers, with a storm cloud backdrop to top it off.

- Prison Boab Tree and other iconic Boabs
- Lower Ord River and Ivanhoe Crossing*
- Ord Irrigation Areas with informative commentary
- The Hoochery Rum Distillery (optional)
- Kellys Knob town views
- East Mirima (private) lookout for sunset drinks and nibbles

* Itinerary may vary during the Wet Season due to road closures

Itinerary

Pick-up from your accommodation or meeting point before tour commences at 2:30pm. We leave Kununurra via Swim Beach and Lake Kununurra before crossing the Diversion Dam to The Prison Boab Tree. You'll learn about the Ord River Diversion Dam and stop for some pics at the new viewing platform before crossing the Dunham River.

Next, we'll scoot up Kelly's Knob for some awesome views across town then on to Ivanhoe Crossing to watch the pelicans out-fishing the anglers at the low level crossing. Further downstream on the Ord, we should spot a few crocs and some Kimberley birdlife. Out of the riverbed and up onto the agricultural plains, your HOT Tours guide will provide an informative commentary as we travel along the irrigation channels of the Ord Agricultural Area to the infamous Hoochery Rum Distillery for another quick stop (optional).

Travelling through the Weaber Plains, we'll call into Mirima National Park and then along bounce along some sandy 4WD tracks to a special sunset lookout. Perched on this rocky outcrop, we'll enjoy drinks and nibbles whilst watching the sunset over Mirima National Park and the Sleeping Buddha. As we weave our way back down to the highway, we may even spot some nocturnal inhabitants of the area before being dropped off at your accommodation or meeting point around 5:30pm.
