Itinerary

Pick-up from your accommodation or meeting point before tour commences at 2:30pm. We leave Kununurra via Swim Beach and Lake Kununurra before crossing the Diversion Dam to The Prison Boab Tree. You'll learn about the Ord River Diversion Dam and stop for some pics at the new viewing platform before crossing the Dunham River to Valentine Springs Road.

First, we come to Valentine Spring, followed by Middle Spring and a tricky little 4WD track to Black Rock Pool where the Mystery Road ABC mini-series was filmed. Next we'll crawl along the mighty Ord Riverbed at Buttons Crossing for some croc spotting and bird watching, and then make our way out again through station country past some majestic boabs.

After a short stop to watch the pelicans out-fishing the anglers at Ivanhoe Crossing your HOT Tour guide will provide an informative commentary as you travel along the irrigation channels of the Ord Agricultural Area to infamous The Hoochery (rum distillery) for another quick stop. Time permitting we'll scoot up Kelly's Knob for some awesome views across town and then head east along some sandy 4WD tracks to a special sunset lookout. Here we'll set up with some drinks and nibbles to watch the sunset over Mirima National Park and the Sleeping Buddha, before dropping you off at your accommodation or meeting point around 5:30pm.
