

DAM-TO-DAM 4WD CRUISE COMBO (DF5)

DRY SEASON – FULL DAY COMBO TOUR

10 hours: 9:00am – 7:00pm

Approx. 200km

\$335 per adult. (Minimum 2 – Maximum 6)

On this unique combo tour, you'll experience the scenic northeast corner of Western Australia by land and water. Starting at the Diversion Dam and irrigation areas of the mighty Ord River we'll head off-road through ancient rock formations harbouring bush tucker, awesome views and rock art. The day culminates with a 3-hour small-group boat cruise on Lake Argyle spotting wildlife and freshwater crocodiles, feeding fish and swimming, followed by a stunning sunset with drinks and nibbles.

Itinerary

Pick-up from your accommodation or meeting point before tour commences.

9:00am: The tour begins with a short drive over the Ord River Diversion Dam which was built for the Irrigation Scheme and supports over 15,000 hectares of agricultural crops. You'll witness the power of the mighty Ord as the water jets through the radial gates and pelicans wait in hope for a feed of fish.

10:00am: Downstream on the Ord we view Ivanhoe Crossing and learn more about the area's agriculture before driving to a town lookout for another perspective. Heading off-road past the Sleeping Buddha and Elephant Rock, we take a short walk past some rock art and pop up to a viewpoint over the Packsaddle Plains.

11:00am: Travelling east via the Matheson Ranges we stop for some morning tea under a boab tree at a site which resembles a 'mini Bungles'. Here you can stroll around these beehive structures and seek out some hidden secrets.

12:00pm: Driving over to Lake Argyle we make a short stop at a lookout accessible only by 4WD, for a unique perspective of the north end of the lake. We'll then pop into the historic Durack Homestead museum which was dismantled and relocated from its original position (now at the bottom of the lake).

1:00pm: At the Argyle Village you can grab some lunch, use their facilities, stretch out on the grass or have a swim in their signature 'Infinity Pool'.

2:00pm: Leaving the Village we'll take in the views over the dam before crossing the wall itself and winding down the start of Lake Kununurra – 55km upstream from the Diversion Dam.

2:30pm: The day culminates in a 3-hour cruise with 'the original and the best' Lake Argyle Cruises, where you'll experience the lake and its wildlife in a small group with expert commentary. Enjoy a refreshing swim, fish feeding, viewing rock wallabies, native birds and freshwater crocodiles. Tea and coffee are complimentary throughout the tour with drinks and nibbles served as the sun fades in a kaleidoscope of colours over the ranges.

6:00pm: Pickup from the boat ramp for your return trip to Kununurra

7:00pm: Drop off at your accommodation or meeting point.

Inclusions

Morning tea: tea, coffee, cold water, light refreshments

Esky if you want to bring additional food or drink to put on ice
