

WILD WEST WATERFALLS (WH1)

WET SEASON - HALF DAY TOUR – JAN to APR

6 hours - 7am to 1pm - approx. 250km

Minimum 2 – Maximum 6

Summary

West of Kununurra on the road to Wyndham the waterfalls go 'wild' in the Wet. As soon as they're flowing, we run morning and/or afternoon tours to check out The Grotto, Moolchalabra Overflow and/or Three Mile Valley for a dip.

Highlights

- Scenic drive past the Bandicoot and Deception Ranges
- Photograph, walk and swim in the waters above or below The Grotto
- Croc spot at viewpoints along the King River Road
- Cool off in the Moolchalabra Dam Overflow
- Optional visit to Three Mile Valley for another swim
- Take in the views of the flooded marshes from the Five Rivers Lookout
- Check out some of the other popular Wet Season swimming spots

Itinerary

Pick-up from your accommodation or meeting point before tour commences and leave Kununurra via the Ord River Diversion Dam and the Dunham River Bridge for great views of the Wet Season flood waters. We'll then head westward along the Victoria Highway toward Wyndham calling into a lookout with spectacular views from the northern side of the Cockburn Ranges.

One of the highlights of an East Kimberley Wet season is The Grotto in full flow. We'll stop for some pics and a dip within its unique rock walls and cooling waters. Turning off the highway we'll head across the flooded marshland along the King River Road to catch cool spray of the Moolchalabra Overflow and then stop for some refreshments by the King River, where you may be lucky enough to spot a croc cruising with the tide or some Brolga dancing alongside. Depending on road conditions, we could pop up to the top of the dam and then along to another crossing of the King*. Time permitting we'll pop up to Wyndham's Three Mile Valley* and Five Rivers Lookout for incredible views across the Gulf and flooded mudflats.

On the way back to Kununurra, we'll point out some other 'cool' sites, including the flagstone construction of the Old Halls Creek Road, and stop in at Molly Springs* for a last dip or 'click' before dropping you off at your accommodation or meeting point.

* Visiting some sights and activities will depend on rainfall and waterfall activity.

Inclusions

Morning tea: Tea, coffee, cold water, light refreshments
Esky with ice if you want to bring additional food or drinks.

What to bring

- Sun protection: Hat, sunscreen, long-sleeved shirt.
- Sturdy footwear: for short walks only
